

YESTERDAY AGAIN

British sound™ of the '60s is back now!

Resonet Grazioso was probably the first factory-made guitar in Europe. It was awarded a golden medal at the EXPO 1958 and played by George Harrison, Jimmy Page, Eric Clapton and other rockstars. And now, the legend returns: handmade in superior quality from the best materials.

YESTERDAY AGAIN

British sound™ of the '60s is back now!

Resonet Grazioso was probably the first factory-made guitar in Europe. It was awarded a golden medal at the EXPO 1958 and played by George Harrison, Jimmy Page, Eric Clapton and other rockstars. And now, the legend returns: handmade in superior quality from the best materials.
